

WHAT NATUROPATHIC PEDIATRIC CARE LOOKS LIKE

AS TOLD BY DR. ARCHER ATKINS

NATUROPATHIC DOCTORS
PROVIDE MORE OF THEIR TIME, AS
IN, LONGER APPOINTMENTS.

NATUROPATHIC DOCTORS CAN
SERVE AS YOUR CHILD'S
PRIMARY PEDIATRICIAN.

NATUROPATHIC PHYSICIANS
CAN PRESCRIBE ANTIBIOTICS
AND OTHER PRESCRIPTION
DRUGS.*

NATUROPATHIC PEDIATRIC
CARE IS ALL ABOUT OPTIMIZING
YOUR CHILD'S HEALTH.

NATUROPATHIC DOCTORS SERVE
THE WHOLE FAMILY.

**"WHAT I DO IS INTEGRATIVE
MEDICINE. BEING A
NATUROPATHIC DOCTOR IS A
“BOTH/AND” SITUATION AND
NOT “EITHER/OR.”**

Dr. Archer Atkins specializes in
naturopathic pediatric care, and
sees patients from all over the
greater Seattle area in her
Snohomish office.
